Health Unit Insurance Is Approved

Hancock County's new health center was formally accepted Monday by the board of supervisors following an inspection of the structure and the new adjacent hospital.

On the advice of Board Attorney Sam Favre the supervisors immediately approved the structure so insurance coverage can be taken out. A contractor's bond on the center expired two weeks ago when the building was taken over by public health officials.

The board noted it had not been notified by architects Oubre, and Wagner until Monday's meeting that the center was ready to be accepted, but since county agents were already occupying the structure it had already been officially accepted.

Insurance coverage of \$22,000 on the building and \$5,000 on contents was approved. The coverage was approved by Hancock Insurance Agency and John Seaside, insurance agent.

Architects recommended approval with the exceptions of building under the water closet and at the hose bibb and installation of combustion air and fresh air vents and metal ledges. These were found complete during the inspection. Final architect's payment of \$122.35 was approved.

A possible solution to clearing of the municipal beach from sewage of the city's privately owned cesspools was shelved until Bay St. Louis Mayor John Scudde can obtain cost estimates and more complete engineer's plans on a shell drainage ditch. (Cont. on Page 4.)

HOSPITAL INSPECTION - Members of the Hancock General Hospital board inspect new X-ray equipment during their first meeting Tuesday night in the new hospital.

New Employees Named For Hancock Hospital

Well fed from a banquet celebrating their first board meeting in the new Hancock General Hospital, trustees spent a lengthy session discussing insurance coverage on the new structure, the dedication set for 2 p.m. May 28 and new employees.

After reviewing insurance proposals of local agencies, coverage was set at \$424,000 on the building and \$45,000 on contents this month in co-insurance, 90 per cent coverage, to be equally divided among Hancock, Truett and Merchants insurance agencies.

Trustees were well pleased with proposed premiums which were extremely low because of the fire-proof construction of the building and the fact that 50,000 gallons of water are constantly available.

Administrator Tom Logue is to meet with representatives of the agencies on final details and have binders drawn so the insurance would become effective when the building's risk insurance runs out sometime this month.

The board passed up workmen's compensation until later and noted official bonding was not renewable until September. Logue said a Gulfport radio station will do a live broadcast of the hospital dedication and Gov. Ross Barnett's address. Sam Favre, board attorney, will be master of ceremonies.

Present plans call for the hospital to open for business May 28 and a present strike by the pipe installation union in New Orleans is not expected to hold up the opening, according to Logue.

New hospital employees approved are Mrs. Samantha Keller, R. L. Pica, a housekeeper; Mrs. Antoinette L. Tully, Poplarville, and Mrs. Pauline Comptre, Bay St. Louis, licensed practical nurses; Beverly Schindler, Bay St. Louis, and Mrs. Ida M. Graham, R. L. Pica, office and switchboard; Ruby Gillum, Bay St. Louis, maid; and Roland Riest and Mike Barras, both of Bay St. Louis, orderlies.

Six or seven nurses aides will be hired after students in the hospital's 100 hour nurses aide course which began Monday complete the course.

The board voted 5 to 2 to write Sheriff Gerald Price Jr. advising that the board would not "condone or acquiesce" removal of patients by his deputies or himself without the consent

of the patient's doctor and the hospital administrator. This in no way indicates or means the sheriff cannot exercise his right in posting a guard at the patient's hospital room, according to board members.

The motion to write the letter was made by K. W. Pepperdine, seconded by Mrs. T. P. Ward, and supported by members Clifford Saucier and F. A. Selph and President T. T. Reboul Jr. Opposed were Hubert Thigpen and Norton Haas sr., who felt a personal talk with the sheriff would be better.

The letter was based upon complaints from hospital personnel and the doctor in charge of Joe Williams, Negro, of Venice, La., who was removed while injured and under sedation for a justice of the Peace hearing following an automobile accident last week. Hospital officials noted Williams had to walk back to the hospital from the courthouse hearing.

Bids of \$318 of W. F. Prior Co. for a medical library; \$3.42 a tank of National Cylinder Gas of New Orleans for oxygen; \$10.35 a month A and M Pest Control, pest extermination; six cents a pound, Globe Laundry, hospital laundry; and \$110, Lorraine Flower Shop, hospital flower (Cont. on Page 4.)

Drowned Man Left From Bayou Caddy

The body of a drowned fisherman found in the Mississippi Sound off Bay St. Louis last night was identified this afternoon as Robert Allen Russell of 8408 Oak St., New Orleans. Bill Pinson, proprietor of Bill's Fishing Camp, Bayou Caddy, made the identification.

Pinson said Russell had left his camp yesterday afternoon on an overnight fishing trip and was not expected back until today. But after hearing reports of an overturned blue 18-foot cabin cruiser having been found near the Keys that fitted the description of the boat that had left his camp, Pinson called the sheriff's office. Deputy Sheriff Gerald V. Price Jr. and Pinson drove to Lang's Funeral Home in Gulfport where Pinson identified the body.

Russell's body was discovered about 10:30 p.m. Wednesday on a shoal about three and a half miles south of Bay St. Louis by the crew of the tug Gloria Colie which was unable to stop but radioed the tug Lynne Park which recovered the body.

Crew members of the Lynne Park said the body was caught in the lines of the boat and they could not determine whether he had tied himself there or had become fouled when the craft capsized. They tied the body to buoy 13 near the Telegraph Key where it was picked up by the Coast Guard from Gulfport.

The body was wearing a life jacket when recovered and several holes were found in the

bottom of the boat which was partially sunk.

A coroner's jury had not returned a verdict at press time pending further examination of severe marks on Russell's head which may be brush burns received from the buoy.

Jurors are Frank Hightower, Harrison County coroner, Emmett Mullens, Arthur Lang Jr., Robert Parker, Paul Hale, David A. Smith, Otis M. Cook and Leroy Hobbs.

Russell was said to be an employee of the Illinois Central railroad and had been staying on his boat at Bill's Fishing Camp for the past week. He was 42 years old.

A storm struck the area suddenly about 5:30 p.m. yesterday with winds up to 45 miles an hour and caught a number of local afternoon fishermen. A. G. Dantagan and Ed Clark were stranded for some time but rode (Cont. on Page 4.)

The Republican party will hold its precinct meetings Saturday.

Sheriff Probes Four Breakins

THIS SAFE WAS BROKEN - Sheriff Gerald V. Price examines Gulf Chevrolet Co.'s safe for fingerprints Monday after burglars apparently broke it open with an acetylene torch during the night.

Four weekend robberies are being investigated but no arrests had been made at press time today. Sheriff Gerald V. Price said several suspects are being sought for questioning.

Places robbed of cash and merchandise were Gulf Chevrolet Co., U. S. 90, a Benediton Television and Appliances, delinquent Drug Store, both on South Beach, Bay St. Louis, and Fritz Service Station at Kiln. Price said he believed all the robberies happened Saturday night although the theft at Gulf Chevrolet was not discovered until Monday.

At Gulf Chevrolet burglars broke out a rear side window of the repair department, forced a door leading to the office and dragged a large safe into a small rest room where they cut the steel door with a burning torch to get at the lock mechanism. Arthur B. Tipping, proprietor, said he didn't know the actual weight of the safe but remembered it took four men to move it into the office.

Approximately \$200 was stolen from the safe and an unknown amount was taken from a cigarette and a soft drink machine that were broken into.

Charles Feigel, parts manager, discovered the robbery when he reported for work about 8 a. m. He said a side door was open but thought another employee, Willie Green, had opened it as he was standing outside the building. He didn't know anything was amiss until he tried to get a pack of cigarettes from the machine.

At Benediton's, George Benediton, proprietor, said about \$80 in cash was taken from the register and that two transistor portable radios were missing. The burglars had also tried to lower a brand new television set from a window by tying it with TV antenna wire but it fell to the ground breaking the set. The window is about 12 feet from the ground. Entry was gained through a rear window by breaking the glass and was discovered Sunday by Benediton.

At de Montaigne Drug Store and Fritz Service Station, Price said he believed the burglars were the same. (Cont. on Page 4.)

Top Honors Go To Bay Jaycees

Bay St. Louis Jaycees were notified yesterday of a new honor they had won. The local organization has been selected as the outstanding chapter in Mississippi for the month of April, according to a letter from Charlie Crumblay, state president, to Mike Haas, president of the Bay St. Louis chapter.

In his letter Crumblay said that the Bay chapter would receive state recognition in the May issue of their official publication, the Jaycee Journal.

2 Boat Motors Stolen on Beach

No arrests have been made yet on thieves who took two motors and other items from a boat owned by Dr. John Dick of Waveland Beach Boulevard and a 75 horsepower motor and items from a boat owned by L. K. Griffin of Pass Christian and New Orleans.

The Dick boat was cut down from a piling in front of his property and stripped on the beach wall of a 25 and a two and a half horsepower motors and smaller items while the Griffin boat was brought across the Bay to the local beach and robbed there.

Baccalaureate services will be at 8 p.m. Sunday in the school gymnasium with the Rev. Richard Ellis, pastor of St. Paul Memorial Baptist Church, delivering the sermon.

The elementary school commencement will take place at 7:30 p. m. Friday, May 20, with Kenneth G. McCarty, superintendent of education for Hancock County, as the speaker.

R. E. Webb Gets Post At Monticello

R. E. Webb, principal of Hancock North Central School since its establishment two years ago, decided today that he has accepted the post of principal of Monticello High School, a part of the Lawrence County school system. He will assume his new duties July 1.

Mrs. Webb, who has been on the North Central faculty, will be the teaching staff at Monticello.

Webb was not signed for another contract by the Hancock County board of education following differences of opinion with some of the trustees and the superintendent.

Bay Hi Graduation Scheduled Thursday

Graduation exercises for 45 seniors at Bay High School will take place at 8 p.m. next Friday, May 20, in the school gymnasium while the baccalaureate service will be at 6 p.m. Sunday with Dr. Porter L. Fortune, dean of the college and graduate school, Mississippi Southern College, delivering the address.

Maddux to Leave For Further Study

Dr. James Maddux Jr., county health officer, has accepted a five year residency in pathology at Northwestern University Medical School, Chicago, Ill., to begin July 1. Awarded on a fellowship from the Veterans' Administration Research Division, the residency will give Maddux his master's degree in science and doctor's degree in pathology.

County health officer for the past two years, he has resigned his post as of June 17.

County Gain Is Indicated

About a 2,000 population hike for Hancock County over the last

decade is indicated on the basis of unofficial and incomplete returns from the 1960 census. Thomas F. Richardson, district census supervisor in Hattiesburg, told the Sea Coast Echo this week.

The 1950 count gave Hancock a population of 11,891 and present figures are 13,835.

Richardson emphasized that the count only shows what had been processed through noon and returns are still coming in from the "Where You Counted" questionnaire published in local newspapers. He urged that persons who have not yet forwarded the information to do so promptly.

If questionnaires are in his office Monday morning, they may

still make the current census, he said.

In Bay St. Louis, the unofficial count is about 5,020 compared with its 1950 figure of 4,621. In 1940 it was 4,138.

The present indication is that Waveland's population has risen some 300 in the last ten years, Richardson continued. The 1950 census gave the town 798 and the count now stands at 1,098. He noted that some duplication of figures might drop it while additional returns could up it.

He declined to disclose early figures on Clermont Harbor and Lakeshore because of the highly rural complex of those communities and some apparent confusion

over boundary lines.

Hancock is one of 12 counties in the 6th Congressional District whose returns have not yet been completely processed and Richardson expects that will be done early next week. The other four, all highly rural in nature, have decreased in population since 1950. They are Lawrence, Jeff Davis, Lamar and Covington.

The census official said, however, that he believes those are the only ones which will drop and by no means represent a trend in the district. When the census was taken 10 years ago, there were 384,000 persons in the 6th District whereas the 1960 tally

For The Public Weal

Almost a year ago this paper, in its contention that it's best to buy at home, pointed out the problem of the drug store and the druggist. We still would like to know what would happen if the five druggists in Beat five all took off for Miami the same Friday night.

Aside from that horrible prospect, we have a complaint against the druggist. Want some medicine Wednesday afternoon? What about 3 p.m. Sunday? Where? Get the druggist out of bed, back from fishing or at the yacht club.

By virtue of being a profession a druggist has certain obligations to his community, or so we think. He can't have a 40 hour week like many skilled workers. If he could you and I would not be able to get medicines on Saturdays and Sundays.

In Bay St. Louis we have four drug stores, three of them within 100 yards of each other. Our suggestion is that the Bay druggists get together. The community would be better off if one druggist was open all day Wednesday and all day Sunday.

Why can't the different proprietors and druggists take turns about? They'd work less; the public would be better off, and it's worked in a lot of other places.

Kennedy Could Win

Irrespective of differing political views, we hope the readers of this paper are glad that the religious angle was not the deciding factor in the West Virginia primary. Of our 50 states percentage-wise West Virginia has the smallest Roman Catholic population, but it gave U. S. Senator John F. Kennedy, a Roman Catholic, a sizeable margin over U. S. Senator Hubert H. Humphrey, a protestant.

As of this time the Echo, basically a Democratic paper, is supporting no candidate for the Democratic nomination, and regretfully admits a suspicion that Vice President Richard Nixon will be our next president. The Hon. Al Smith, when he was defeated for president in 1928, unwittingly started the myth that a Roman Catholic could not be elected president. In his campaigns for the Democratic nomination to that office Mr. Kennedy has had to combat this idea.

The Echo wants the best man to be the Democratic nominee. Mr. Kennedy is perhaps that man. In any event, this paper hopes that the denomination of no candidate will enter into the choice of voters.

Congressional Sidelights

By Rep. WILLIAM M. COLMER

THE MODERN "LIBERAL"

One of the strangest creatures on the present day political scene is the modern, self-styled liberal. He is also one of the most vocal.

There is, of course, nothing wrong with being a liberal—one who is progressive, who is concerned about individual rights and liberties, and who always keeps his feet on the ground and his head not too far up in the clouds.

Thomas Jefferson was undoubtedly a genuine liberal, as were many of his confederates who drafted the Constitution and the Bill of Rights. But who can analyze the basic philosophy of Thomas Jefferson that the best governed are the least governed and reconcile it with the modern self-styled liberal—the spending, pump-priming Big Government liberal, who thinks depression measures should be repeated and expanded in times of full employment and prosperity, who advocates the consolidation of all governmental power in a central federal bureaucracy in Washington. Jefferson, in fact, called such centralization "tyranny in disguise."

The liberals who wrote the Declaration of Independence, the Constitution, the Bill of Rights, and who fought in the Revolutionary War, Benar Jaymes said, had nothing in common with the liberals of today.

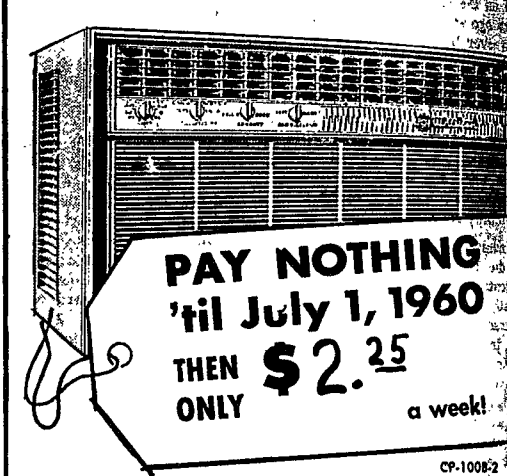

The liberal of today, he said, talks big, loud and long about his dedication to the protection and preservation of human rights and personal liberties.

And then he proceeds to advocate and support legislation that imposes upon the people regulations, restrictions, and controls which curb their rights and freedoms.

Mr. James said the liberal professes to have the interest of the people at heart. However, he has supported a policy of big government spending which has stimulated an inflationary spiral that has destroyed half of the purchasing power of the dollar in the past 20 years.

Shower Fetes Miss Nelson

Mrs. R. L. Nelson and Mrs. William T. Nelson entertained Monday afternoon in their home on Washington Street with a semi-annual shower in compliment to their sister-in-law, Miss Rose Marie Nelson, bride-elect of Gerald Bernard Wise.

Guests assembled on the rear lawn where the sylvan was en- tertained with white crepe paper, ferns and flowers from which wedding bells were extended. The serving table was covered with a white cloth edged with rose and fern and centered with a cake on which a miniature bride was placed. Mrs. Charles Oster assisted the hostesses.

For the occasion, the bride- elect chose a pink frock and was presented with a corsage of pink carnations.

How Do You
Know Your Business
Is Really Covered
By The
Right Insurance?

You don't — unless you insure through an independent insurance agent. Here's why: No single insurance company offers every type of business insurance.

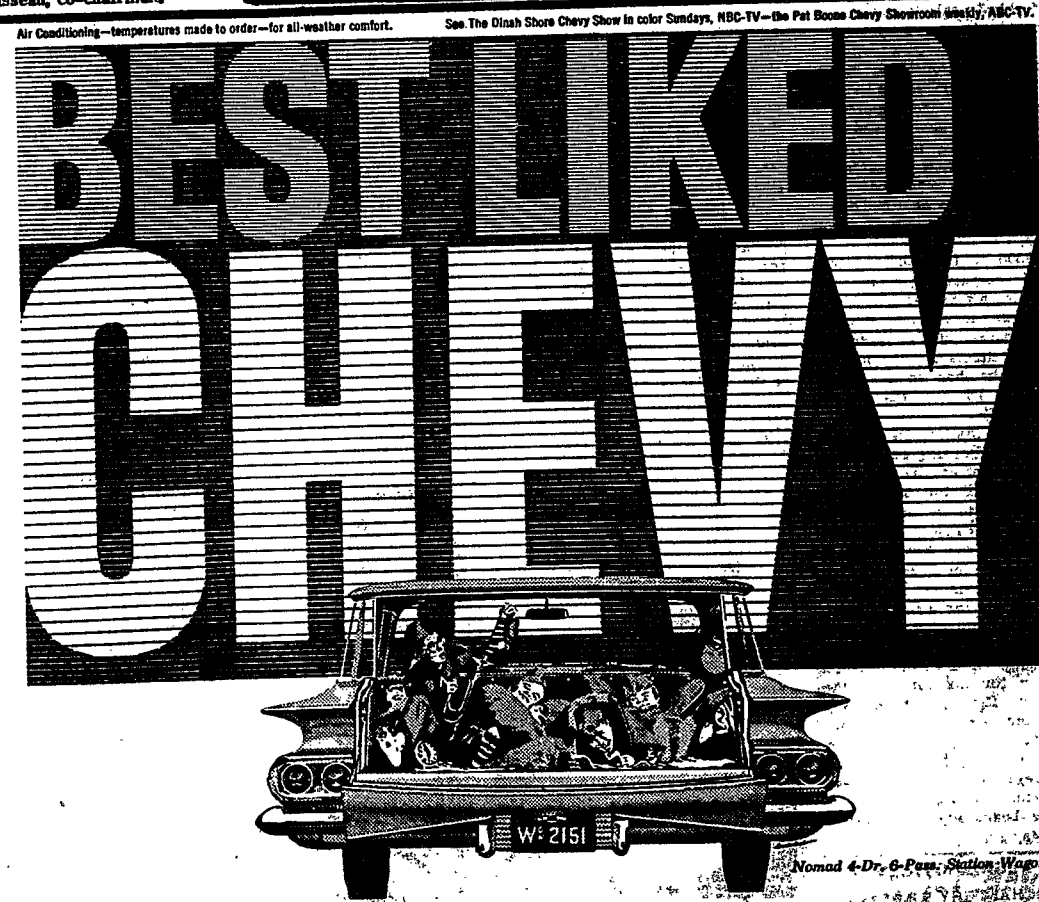

If you buy directly from an insurance company, you'll hear only about the poli- cies that company offers. But as inde- pendent insurance agents, we give you this extra service at no extra charge: 1. We survey your plant or working site. 2. We suggest ways to reduce the premiums you pay. 3. We determine your insurance

needs. 4. We choose for you the best insurance for your business out of hun- dreds of policies offered by different, com- peting companies.

You can be sure your business has the right insurance coverage when you in- sure through an independent insurance agent. Look for this Big "I" Seal when you buy insurance. To display it, we have had to meet professional standards de- signed to protect you.

BOARD BUFFET FETE - Members of the Bay St. Louis Separate Municipal School Board and wives serve themselves at the annual board banquet Thursday night given by the senior homemaker class under the direction of Mrs. J. E. Erwin.

JUNIOR AUXILIARY - Chapter 3253 Junior Girl's VFW Auxiliary member from left first row are Claire McArthur, Wanda Shiyon, Della Shiyon, Carol Ann Sanford, Sylvia Ann Morel and Laura Jean Morel; second row, Cynthia Depree, president; LeVerna Benigno and Becky Sanford. The unit was organized last month under the direction of Mesdames Ray Depree, Jerry Benigno and Esther Oschmann.

Methodist Plan Family Night Fete

A family night supper will be held at 7 p.m. Friday in the educational building of Main Street Methodist Church. The program will feature slides shown by Capt. and Mrs. John Clark on their recent African tour. Since the juniors, MYE and Women's Society for Christian Service all have visited Africa this year, this will be of particular interest, it was noted.

Health Unit

(Cont. from Page 1.) recommended by County Engineer Enoch Kennedy.

Scuttle pledged municipal support on any solution to clear the beach, also classed as road protection, inspected last week by the board after Mrs. Theo Tully, chairman of the city parks and playground commission, complained of the condition of the beach.

Hubbard observed the board was not making a complaint of the beach condition, but had inspected the beach on the complaints of other interested parties. He suggested placing a bulkhead near the end of the beach closest to city business operations and then only maintain the beach on the left side of the bulkhead, leaving the right side return to its natural state.

On a 3 to 2 vote the board rejected a bid on a station wagon for Capt. Mobley, assailed superintendent, opened at the meeting since the majority of the board felt Mobley's salary enabled him to provide his own transportation. The vote carried on a motion by Best 2 Supervisor J. M. Peterson, seconded by Charles Lavinghouse of Best 3, and supported by Best 4 Supervisor James Neale. Upgrading their original statement that the station wagon was necessary were Best 1 Supervisor Charles Russ and Board President R. G. Hubbard Jr. of Best 5.

A \$305 bid from Office Supply Co. of Gulfport for a land roll typewriter for the tax assessor's office was accepted on the recommendation of Tax Assessor George Heitmann since service was better than on the same price from Johnson Office Supply Co. of Mobile.

In other matters purchase of two lots in Bonaparte subdivision in the year of 4th Ward at \$150 to provide fill for the Best 3 project and to be paid out of the Best 3 Project Fund was approved as was advertisement for a bridge for Best 3.

The supervisors accepted a \$4,970 bid for a Best 3 truck. After examination provided the supervisors had no right to participate in the bid. Advertisements for tax books for the assessor's office and publication notice for work on Federal AG Secondary Project No. S-0104 (218) Kila-Picayune convey highway, Bay St. Louis, 1957, was completed and approved.

The board adjourned until 9 a.m. May 23.

Deaths

Miss Mary E. Favre

Miss Mary E. Favre, 49, of Pearlington died at 1:09 p.m. Friday at Gulfport Memorial Hospital where she had been a patient for the past four weeks. Services were at 3 p.m. Saturday at the First Methodist Church in Piquette with interment in the Palestine Cemetery in Piquette.

She was clerk at the Agricultural Conservation and Stabilization office in Bay St. Louis 1942 and was a former secretary in the county agricultural agent's office in Bay St. Louis.

She is survived by her mother, Mrs. John Favre, a brother, Quintan Favre and a sister, Miss Angeline Favre, all of Pearlington.

WOW District Meet Set Here

All members of the local Woodmen of the World district are invited to the district meeting at 9:30 a.m. May 18 at the Bay St. Louis Youth Center, according to Mrs. Anna Palmisano, president of the Pine Grove Circle 167. After the meeting the group will have dinner at Haverly's Restaurant in Waveland. Mrs. Palmisano said.

Two Accidents Are Listed in Last Week

A traffic accident at 8:40 a.m. today at Dunbar and Ulman Avenues involving a 1960 Chevrolet station wagon driven by Mrs. W. R. Pittman and a milk truck driven by Terry Tartavouille caused minor damage to the station wagon and slight injury to the Pittman daughter who was taken to Hancock General Hospital and released.

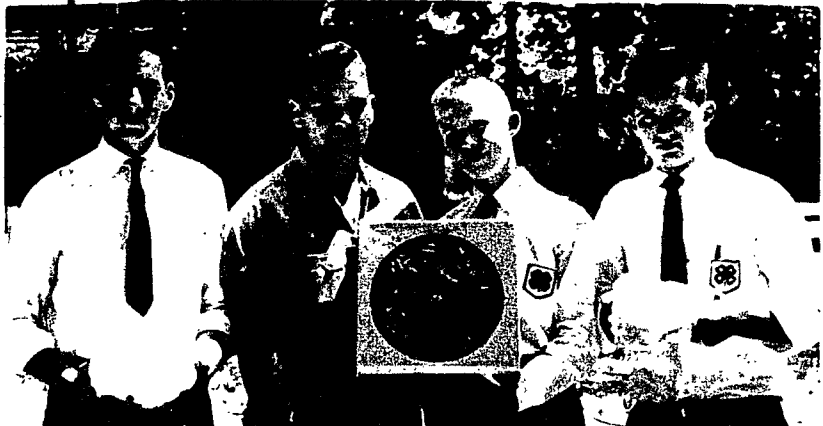

No injuries resulted from a traffic accident about 9:30 a.m. Sunday at the intersection of Railroad Avenue and St. Charles Street, Bay St. Louis, when a foreign-made car driven by Sidney Hall of Ocean Grove Lane, Waveland, and a 1958 station wagon driven by A. E. Volght of the Oaklands collided. Damage was estimated by City Patrolman Jack Lader at between \$100 and \$150 to each car.

(Cont. from Page 1.) schools as a community civic center, but this was bypassed when the trustees agreed the system needed the funds which would be received from the sales.

A possibility of using one of the schools as a kindergarten privately supported by parents of the children enrolled was also discarded after the trustees noted the system would still have to maintain the structure.

The board agreed to dedicate the south 50 feet of Lot 44 on the North Bay school property for an access road to the proposed school athletic field in conjunction with a similar dedication by Henry Chapman. Additional outlays from the field have been proposed by Chapman if August Reuxer sr. will agree to a similar dedication and the trustees voted to only hold Chapman to this proposal for one year.

An advertisement for bids for a cast iron cooking range for Waveland Attendance Center was approved as was architect's estimate No. 6 at \$366.59 to Kirkendall and Proffer.

School Superintendent J. D. McCullough announced that 365 students had signed up for Bay High enrollment for the 1960-61 school term.

City School Faculty is Approved

A complete list of 41 white teachers for the Bay St. Louis Separate Municipal School District during the 1960-61 term was approved Monday night by the board of trustees on the recommendation of Superintendent J. D. McCullough.

Forty-one Negro teachers were approved and three additional instructors will be hired before the term begins for Valencia C. Jones school, according to McCullough.

Included in the list were eight new instructors for Bay High, Central Elementary and North Bay Elementary, now under construction but scheduled to open for the fall term.

New faculty members will be W. J. Cameron, social studies; Walter Daniels, seventh grade; and Mrs. Thelma Kerpelien, second grade, all from Bay St. Louis; Mrs. Margie Gavin, Pass Christian, high school math; Jamie Jones, Sanatorium, sixth grade; and Clay Miller, eighth grade; and Mrs. Clay Miller, first grade, both of Darlington.

White students in grades one through three will attend Central Elementary while students in grades four through eight will attend the new North Bay Elementary. Waveland students in grades one through four will attend the Waveland attendance center and older students are

transferred to the schools in Bay St. Louis.

All Negro students in the system attend Valencia C. Jones School in Bay St. Louis.

Returning Bay High faculty members are Marcel LaNasa, band; Lance Lumpkin, head coach and physical education; Mrs. J. E. Brin, homemaking; Mrs. Norman Hall, journalism and library; Mrs. Louise Curet, English; Julia Blatze, social studies; Robert Magee, science; Mildred McCurley, commercial; Wilmer Seymour, coach and physical education; Mrs. Merle Little, English; Franklin Ladner, industrial arts; Mrs. E. A. Lindsey, language; Toy Tedford, math; and Mrs. Toy Tedford, public school music.

Elementary faculty members are William Sharp and Alma Parker, eighth; Eugene Ladner, Mrs. Julia Hathaway and Walter Daniels, seventh; Miss Lora Smith, and Mrs. Ethel Zengler, sixth; James Wood, Mrs. Esther Harrell and Frances Bryant, fifth; Mrs. Elizabeth Weston, fourth; Mrs. Beatrice Ladner and Mrs. Nora Pigott, third; Luvenia Saucier, second; Mrs. Ida Whitney, first; and Mrs. Grace Hulsey, special education.

Waveland faculty members are Mary Perkins, fourth; Mrs. Effie Mazarakis, third; Cecile Turcotte, second; and Mary Margaret Turcotte, first.

Faculty members for Valencia C. Jones are Joseph Price, principal; A. Cornelius Ward, Mrs. Lois M. Hawthorne, Evelyn Dallet, Mrs. Dessie M. Price, Zola J. Spencer, Dan Frederick and Jesse Lucas, high school; and Mrs. Juanita Thompson, Mrs. Marion Ward, Mrs. Cecilia Rol-

BEAUTY TIPS by Mercedes Spahr

MERCEDES' BEAUTY SALON
Forest Ave., Clermont Harbor

ARE YOU A HEAD? If you are, whether by nature or by choice, you've been blessed with hair that everybody looks at. And there are as many stories about redheads as there are pages in history books! Some of history's favorite vixens have had auburn tresses (or so the rumor goes). This list includes Cleopatra and Helen of Troy, to mention a few. If your hair is brighter than autumn leaves, one thing is certain: You're going to have to keep it SEE worthy at all times. This means flattering, always neat hair styles. Red hair may be attention-getting, but it's usually admired and envied. If you've always harbored a secret yen for scarlet locks, this is a wonderful time to try a new hair color. You know, hair coloring can actually improve the texture of your tresses. That's because professional coloring contains special cremes that bring out the beauty in the hair. Why not find out how exciting you could be, as a redhead? Call HO 7-5202—MERCEDES' BEAUTY SALON, CLERMONT HARBOR.

YOUR HAIR AND YOUR NOSE...A too prominent nose? Don't try to hide it with too much hair around your face. The correct coiffure for you is swept back into a soft pompadour, and brushed back in an upward motion at the sides. You'll like your sophisticated new look FROM UNDER THE DRYER: Men would be a lot better off if they'd quit trying to understand women, and just enjoy having them around.

Mrs. Shiyon President of VFW Women

Installation of newly-elected officers of the Veterans of Foreign Wars auxiliary was conducted at the monthly meeting Friday in the Agricultural Building. Mrs. Esther Oschmann, outgoing president, was installation officer.

New officers are Mrs. Lola Shiyon, president; Mrs. Oschmann, sr., vice president; Mrs. Gerry Benigno Jr., vice president; Mrs. Nell Sanford, chaplain; Mrs. Alise Depree, secretary and treasurer; Mrs. Carmelita Saucier, guard and Mrs. Beatrice Ladner, patriotic instructor.

Delegates were elected to the department convention scheduled for June 10-12 in Jackson. They are Mesdames Oschmann, Depree, Shiyon, Benigno, Sanford and Saucier. A silver tray was presented to Mrs. Oschmann for her outstanding work as president.

Poppy Day Plans Set

Plans for the annual Poppy sale of the American Legion auxiliary were the main topic of business when the auxiliary met Monday night at the Legion Home with Mrs. Gilbert Gayant presiding.

Mrs. John Wilkerson will be chairman for Poppy Day May 27 and 28. Little Miss Poppy will be selected by a drawing from auxiliary juniors at their May 19 meeting.

The Poppy poster contest is now in progress. Mrs. Wilkerson reported. All schoolchildren from the fourth grade up are eligible to enter the three divisions. A cash award will be presented to the winner in each group and their posters submitted to the state contest.

Announcement was made that the 9th district spring conference will be held Sunday at Pascagoula. Details may be secured from Mrs. Gayant. Members were urged to attend the June meeting when officers will be elected.

Hostesses for the social hour later were Mesdames Warren Buehler, Robert Owens, Marion Olestad and Miss Barbara Gray.

Mrs. Whitfield received with officers of the organization while those pouring were Mesdames B. L. Ramsey, Leo Seal, A. M. Ellison, Wallace Chevis, T. P. Clapp and C. C. McDonald. The younger members served as tea girls.

The tea table was centered with a bowl of tea roses.

SMITH TROPHY WINNERS - With the Monk Smith trophy awarded Pass Christian Yacht Club Sunday are from left Shannon Pickick, Pass Christian; Henry B. Chapman, Bay-Waveland Yacht Club racing chairman; Mrs. Monk Smith, PCYC Commodore; Gordon Bishop, Gary Terrell and Jimmy Terrell, all of Pass Christian.

Pass Crew Wins Race

Howling north winds that reached a velocity of as much as 40 miles per hour capsized two boats and cancelled three races during the Monk Smith Memorial Regatta at Bay-Waveland Yacht Club last weekend.

Bay-Waveland was third in the series, only one and 3/4 points behind the winner, Pass Christian with 16 points. Gulfport second with 15 1/4 while local skippers got 14 1/4. Seven clubs participated in the event.

Harry Chapman won the second race of the series for Bay-Waveland. Bill Wams placed fifth in the final race, only seven seconds behind the winner, Blount. Had he not been forced into a battle with the Pass Christian entry it appeared he would have finished at least in the second slot.

The local entry in the first race, skippered by John McDonald, placed fourth.

The Mississippi Coast Yachting Association Championship Regatta which will be sailed for the Chapman Memorial Trophy is scheduled for May 28.

BYWC FIRST - Harry Chapman skippers win in Smith trophy races Sunday with crew members, Gary Taylor and Bill Argus.

Pictures taken from the opera may be purchased this week. The basketball banquet will be held the night of May 12.

Correction - Sylvia Murphy was third maid in May Festival. High school students saw a picture on religious vocations Tuesday morning. This being vacation month.

Mrs. J. B. Guarisco from New Orleans, gave an interesting talk to the students on the responsibilities of marriage.

Sister Mary Peter spoke on religion's vocations May 11. She is from St. Joseph Academy in New Orleans.

The Pere Le Duc Ladies Auxiliary and the Knights of Columbus are sponsoring a variety show at St. Joseph's Academy on Friday, Saturday, Sunday, June 3 and 4. If rumor is correct, the show should be a good one with lots of talent to be seen and heard.

Shoulda Gone in'

Gale winds put an end to plans of most weekend fishermen but we board of two who braved the elements, one saltwater and one freshwater die-hard. They had little luck but a lot of fun. Surprisingly, the water cleared rapidly and some good catches were made Monday in the Bay area. By Tuesday the water had cleared sufficiently that flounder spears had little trouble spotting the white-bellies and the marching brigade was out again. Soft crabs are still plentiful and the early week low tides almost made it a help yourself proposition to those with the know-how. It's still a little cool for hard crabs but the ones that are being taken are full and fat, as we will testify, thanks to the boss.

Ferry Quintini, a man who will fish anywhere, any time, had the keys all to himself Sunday - most unusual, anyone who has been there recently will agree. Wonder how he got there?

Long John Green found the R. R. bridge almost equally deserted Monday and took full advantage of it, bringing home nine good ones for his morning efforts.

We passed the ball field at Duhbar and Carroll Avenue Tuesday afternoon and saw Mrs. Theo Tudyry flitting around excitedly as workmen began erecting the new steel bleachers. Don't blame her for being excited. She has dreamed and worked for years on this project. The Parks and Playground Commission and anyone else who might have had a hand in it should be commended for getting the field in such good shape for the opening of the softball season Monday.

Bay High Principal Donald Caldwell got some blue gill and a green trout in Bayou LaCroix Saturday morning with a fly rod and a light popping bug. Don't know how he can get a fly line out in 40-mile an hour winds, but he does; says he works the lee side of turns in the bayou. On another expedition recently with John Mollere they picked up 79 soft shells.

Alvin Lader of Clermont Harbor reports the water was too rough over the weekend but Francis Carr got eight flounder Monday. Also that Arthur Smith,

WHEN YOU PAY FOR THE BEST... BE SURE YOU GET IT! (Buy Borden's)

You can look at lettuce and tell which is the fresher, crisper head. The price is the same so naturally you choose the best. The very same difference exists in milk. You can't see this difference but it's there... in the taste, in the freshness, in all the extra steps taken to assure quality. The price is the same so choose the milk you know is best just as you choose the best head of lettuce. Your choice will be Borden's. The name Borden's is synonymous with quality. It has been for over 100 years. So, when you pay for the best be sure you get it. Buy Borden's.

Golfer's Dream Goes to Mayor

Most golfers dream of it, try for it but play a life-time without doing it. Mayor John Scalfide, Mr. Spot to some, did it last Wednesday - a hole in one. He was playing with Dr. John L. Griffin, Sidney Prague and Dick Hammett on the Pass Christian Golf Course when the accident (he calls it) occurred. It was on No. 2, par 3, 227-yard hole. He used a No. 1 wood.

Loiacano Gets Second Place

J. E. Loiacano of St. Stanislaus took second place in the shot put and third in the discus throw Friday in those field events at the state meet at Clinton. He was the only entrant qualified from Hancock County. Length of the throws could not be obtained from the school, but Loiacano holds the District 8 discus throw record with 136 feet, eight inches and a tie for the shot put record with 50 feet, 11 1/2 inches. Murrah of Jackson won the

Cuevas Member of Winning SB Team

According to the Kagnew (Africa) Gazette, Specialist 5th Class Clemence Cuevas, brother of Ellis Cuevas of Waveland, is a member of the softball team that won the 1960 Kagnew Station Post Softball League. The club finished the first of three rounds in last place with a 1 win 7 loss record, but won 15 out of the remaining 16 games to take the title.
